## Lydia Hauenschild (Loewe)

### *author*

Lydia Hauenschild was born on a farm in 1957 in Bavaria. Life on her parent's farm influenced her childhood immensely. She studied agriculture and turned to writing only when she discovered that there were no guide books on parenting twins after her children were born. The quick success motivated her and she has written a number of children's books since then.

## Works of Lydia Hauenschild
