Bettina Belitz (Loewe, script5)

author

Bettina Belitz was born in Heidelberg in 1973, and very soon fell under the spell of the book shelves. It wasn't long before reading wasn't enough – no, she had to scribble her own stories down, too. After university, Bettina Belitz worked as a journalist until she was able to devote herself to her youthful enthusiasms. Nowadays, she lives surrounded by horses, sheep, cats and chickens in a village of 400 inhabitants in Westerwald, where she is inspired by nature and weather to write her novels.
