

Mareike Ammersken (Loewe)

illustrator

Mareike Ammersken, born in East Frisia, now lives in beautiful Lüneburg. After completing her training at the 'Fachschule für Sozialpädagogik' and working for some time as an educator in the field, she decided to study illustration at HAW Hamburg. Book illustration has always been close to her heart. The world of nature and animals inspire her exciting and emotional illustrations, which also benefit from her educational experience.
