Story

Melinda the girl ghost has settled in very well at the Castle Hotel, and is proving such a diligent spook that she is issued with a temporary haunting ban. The guests do need a break from time to time, after all! But Melinda still has plenty to keep her busy, in the form of some strange visitors to the hotel: Mrs Stiezer, for one, who looks suspiciously like the fiendish Christian Stiebitzer.

It turns out that Stiebitzer has disguised himself as a woman in order to carry out his dastardly plan! And he almost succeeds, when he puts Melinda and the other ghosts out of action and locks them in the Hall of Mirrors. But luckily, Jost and Kurt arrive just in time to save the ghosts!
