Story

This time Fiona really needs her skill to be able to read other people's minds. At Holy Night weird things happen at family Mammarella's home: Fiona's Dad receives anonymous letters and eight strange Santa Clauses suddenly appear in their living room. But just one of them has an evil plan and of course Fiona finds out who is the bad Santa!

Bettina Belitz

Bettina Belitz was born in Heidelberg in 1973, and very soon fell under the spell of the book shelves. It wasn't long before reading wasn't enough – no, she had to scribble her own stories down, too. After university, Bettina Belitz worked as a journalist until she was able to devote herself to her youthful enthusiasms. Nowadays, she lives surrounded by horses, sheep, cats and chickens in a village of 400 inhabitants in Westerwald, where she is inspired by nature and weather to write her novels.
