## **Story**

Hugo is a genius, top at sport and the coolest boy in the school – in his dreams at least... In real life he is still miles away from any kind of fame!

He is in Form 7 and loves hanging around with his best friend Nico. He is grappling with the biggest problem that someone of his age can possibly have: how to turn overnight from Mr Average into a Super Hero?

Hugo is bothered by nightmares. Why? Because he has super-embarrassing parents who want to turn him into a 'sandwich' child. Look out – it's a baby! It's no surprise to find Hugo being chased by nappy monsters at night time. But there's more to come: Hugo even has to take part in the pre-birth course. All that breathing out and panting – enough to make one want to sink into the ground! How on earth is a boy to stay cool? But then Hugo discovers an astonishing fact: the girls in his class are thrilled about the 'B' problem. Even Hugo's favourite Viola is suddenly looking interested in him...

- Each volume a standalone story focusing on one topic e.g. sports, school, girls
- Witty comic-style illustrations supporting the text
- Authentic and understanding description of the world of a 12-year-old
- Author Sabine Zett is perfectly entitled to understand the mind of a 12-year-old as she has a son of the same age

- Easy to read as funny illustrations break up the text
