## Story

**Boys are like this and girls are like that - this book shows it's not that simple.**

*That's Me - From Head to Toe* encourages children to be themselves, since only then will they be able to cope self-confidently with others and also with their own sexuality. This book deals openly and sensitively with all the questions children have about the facts of life. It offers sex education and confidence-building for children aged 7+ and is sensitively written and illustrated by **Dagmar Geisler**.
