## **Story**

It's 450 B.C. and the magic stone from the salt mountain has been stolen! Damona and Elico immediately go in search of the thieves. During their investigations they make an unbelievable discovery - and in the process are suddenly captured in an ambush.

Against a backdrop of historic events, children from various epochs solve mysteries. Whether it is a theft in a monastery, a gang of confidence tricksters in Barbarossa's time, or a plot centered on the payment of Varus' legionaries - our "History Mysteries" bring the Middle Ages, ancient Egypt and the Roman Empire to life. The detailed appendix provides information about the epoch in question. "History Mysteries" make history fun!
