First Stories about Favourite Topics in Collections – Motivating Children to Read with Reading Lions!

Johanna prefers to play outside instead of with dolls. But will she be able to beat the boys in the competition? It's getting serious for Mikkell and Lillie when a troll kidnaps the elf princess. Immediately, they set off to rescue her. And tracking dog Alfie is on the spot when his owner Anton gets into trouble at school.

The Reading Lion concept aims to make reading a fun activity while actively accompanying the process of learning it. The concept offers books that are adjusted to children's needs and skills in all stages of this process.

Above all didactic criteria, we have an eye on selecting exciting topics. We want our readers to find reading

fun! Only then children will read regularly and independently. That's why collections of stories about favourite topics help to promote reading!
