Story

Ship ahoy! The pirate ship gang sets sail

Welcome aboard the Molly Popper, the wackiest ship on the seven seas! Those who sail in her – Tim Buktu, Captain Beardy Blue and the pirate ship gang – have all sorts of amazing adventures together.

Tim is thrilled to get a job as a clerk on the Molly Popper! Not only is she the most beautiful ship in the world – she also has an incredible repertoire of shape-shifting magic tricks.

Beardy Blue, the captain of the Molly Popper, is a loyal pirate of the King and faithfully carries out his sovereign's orders. He sails the seas with his weird and wonderful band of pirates: Rotteneye, the best man in the crow's nest, Bonebreaker, the toothless ship's doctor who loves pulling teeth, Baron von Dexter, the ship's cook who loves spicy food, and Leo Africanus, the carpenter with a wooden leg. And then there's Hendl, a four-engined grouse who thinks he can fly and gives Rotteneye a run for his money in the crow's nest.

It's the King's birthday, and he has asked for a storm sack. The trouble is, nobody actually knows what a storm sack is. To make matters worse, their arch-enemy Admiral Hammerhead is trying to find one too. The race is on!
