Story

THE NEW THRILLER SERIES BY TOP AUTHOR JANET CLARK!

On his father's building site, Valentine finds the body of a long-dead baby. Soon afterwards, he is subjected to strange, life-threatening accidents, and then a woman he knows disappears without leaving a trace. Valentine does not believe it's a coincidence - did the journalist find out something when researching her article that she wasn't supposed to know? Together with his friends, he searches for the missing woman, and comes up against a long-hidden secret that someone is desperate to protect, at all costs!

- Breathtaking, fast-paced story
- Apparently idyllic love story, a devastating tragedy, a terrible guilty secret from the past and its impact
- Four volumes, to be published in brief intervals

Janet Clark

Janet Clark wrote her first novel when she was eleven. Although her one and only reader was convinced of

its quality, many further paths through different countries and professions had to be followed before Janet Clark's second work was written. This was an immediate success, and since then her fan community has been growing steadily. Nowadays, the author lives in Munich, with her husband and three children.
