Story

Naturalism, alliteration, sonnet – talking about and with literary terms sounds difficult for many young readers. But actually, it is easy to understand all these terms. This book does not only explain important terms, it also opens a new path. With chapters about literary history and science it encourages young readers to spend time with literature and look at it in a new way.

- Basic questions and brief answers
- Open, honest and inspiring
- Short chapters and paragraphs give background information

- Encourages the readers to think about everyday problems
