## Story

Hanna and her pony Little Professor Paul are in top form. Hanna is convinced that they are going to win the tournament on Syringa Farm. But after a black cat crosses their way more and more signs of bad luck appear. Hanna gets insecure about the tournament and is even thinking about not taking part. But her best friend Julia and little Professor Paul won't let her get away with her suspicion. In the end with the help of her friends and some lucky charms Hanna wins back her confidence and victory is at hand.

Key Points:

• Hanna and Little Professor Paul is the ideal series for girls who love ponies
• on Syringa Farm a lot is happening: the girls take riding classes, care for their ponies, go for a ride in the countryside, and guests come to stay for their vacation
• Hanna is a strong character to whom friendship and family are just as important as her pony Paul
• a new series for friends of Lou&Liquorish and Clara&Crums
