### Story

It is the year 1189: who is the black knight who has been riding about near Castle Rabenfels? The tournament in honour of Emperor Friedrich I becomes a matter of life and death...

Against a backdrop of historic events, children from various epochs solve mysteries. Whether it is a theft in a monastery, a gang of confidence tricksters in Barbarossa's time, or a plot centered on the payment of Varus' legionaries - our "History Mysteries" bring the Middle Ages, ancient Egypt and the Roman Empire to life. The detailed appendix provides information about the epoch in question. "History Mysteries" make history fun!
