Story

The magical music box takes Rosalea to the mermaids and their beautiful underwater world. Unfortunately a mermaid catcher makes some trouble and all mermaids are in great danger! Is Rosalea able to help them?

Key Points:

- early novels with several chapters to be read by an adult and a first reader
- the texts work like a role-play: the children read the part of the protagonist, while the grown-ups read the rest
- the texts differ in font, layout and extent, adapted to the children's needs
- generous and colourful illustrations are immersed in the text
