*Get your imagination working! Loads of pictures are waiting to be completed. Just trace some lines on the black surface, and suddenly there's a riot of brilliant colour. That's because a bright pattern and glittering colours are lying beneath the black layer. Will it turn into a shimmering fish or a crown for a king? The young artist decides!*

Where is the unicorn castle? Who creates rainbows with magic? How does a magic mane look like? Which

pegasus has the most beautiful wings?
