Story

- **Successful Reading Pirates titles** in new form
- **Short** stories
- Supports acquisition of **reading competency** through coloured syllables
- Popular with teachers, educators, and parents who want to help their children learn to read
- No obligation to follow the syllable concept.

When Ida discovers a tiny little mermaid in her neighbour's fishbowl, she simply has to save her. But it's not so easy to save a mermaid. At the same time, the king of the ocean is expecting an important visitor and his daughter, Princess Marisa, doesn't even think about behaving herself...

The syllables are marked in three different colours. This helps first readers to comprehend the individual syllables and the meaning of the words more easily. They will learn to read faster and more fluidly and experience a sense of achievement.

Sandra Grimm

Sandra Grimm was born in 1974 in Northern Germany. Already as a child she loved to invent stories and

owned a real washcloth dog that she took everywhere. Today she works at a small company where she still invents her stories and writes about that dog and many other little animal friends.
