Story

Full Sail Ahead for Strong Girls

Ahoy, landrats! Take cover, Messerlilly's wild daughters are in the offing! That's because Elli, Pine and Wanda are pirates and know everything there is to know about the Caribbean.

What's this? You're not a real pirate? Elli is determined to show everyone that she too has pirate blood flowing in her veins! Even though she's a foundling. How's she going to do this, though? Simple! She's going to find the treasure on mysterious Ghost Island – and take on the most dangerous adventure in the entire Caribbean. Not for all the one-eyed moray eels in the sea would even Knife-Hand Lily dare go there!!! But Elli hasn't realised that the pirate sisters, Wanda and Pine, are looking for the treasure too. And she certainly isn't aware that this adventure will lead her to her parents...
