Story

Magical, brave and wonderful!

Somewhere deep in the woods under a deep forest canopy, you can find the elves. Each of them has an own job in nature. There they live in harmony with the animals and trees, flowers and roots. All of them take care of each other. But now and then something dark meddles in the forest community...

- Little Elf Forest Rubinia is caring and strong, she has her own head
- **Warmhearted humor**
- For **Story Time** with boys and girls or **Young Readers** (6-9 years)

What happens in Volume 3:

How is that possible? Rubinia and the other forest residents are shocked: the river doesn't have water anymore. Not a single drop!

Rubinia starts a big search but in vain. Only in the early morning the elf finds a mysterious, glittery drop of water that whispered an advice to her...

Karen Christine Angermayer

Karen Christine Angermayer is an author, publisher, and ghostwriter with heart and soul. Her mind and desk are always brimming with amazing ideas and projects that she's eager to bring to life as quickly as possible. In many ways, she's very much like the little forest elf Rubinia. Karen Christine Angermayer lives with her family by Lake Constance and in Rheinhessen, and she takes every opportunity to fly to sunny California to enjoy the ocean.
