Story

An exciting feel-good fantasy!

Ruby Fairygale lives with her grandma on a small stormy island near the coast of Ireland, where they look after animals. But they have a big secret: they know about the magical mythical creatures on the island and they help them whenever they are ill.

What happens in Volume 2:

Ruby and Noah take care of the mythical creatures, but when her grandma Nana has to leave for the mainland, they are left on their own. Right then, Ruby finds out that she also has a special gift. Will it help her to stop the mysterious plans of the stand-in vet? Luckily, Ruby has Noah, her wolfhound, a few clever fairies and lots of goblins at her side!

Kira Gembri

Kira Gembri was born in Vienna in 1990. She remained loyal to this beautiful city after completing her degree in literature. She shares her love of books with her two children who firmly believe in fairytales. Mythical creatures don't live with her by the way – but she does have a cat who was definitely a goblin in his former life.
