*What happens in Volume 1:*

Ruby Flanagan lives with her grandma on a small stormy island in Ireland where they look after animals. But life can be lonely, when you don't have someone your age to spend time with. Ruby is also different from the others on the island – she and Nana know about the mythical creatures and they help them whenever they are ill.

One day, the mysterious and socially awkward Noah and his supervisor turn up and Nana and Ruby have to protect their secret of the mythical creatures.
