Story

Scary Harry - The world's coolest grim reaper!

- Cool, instantly endearing characters
- The perfect mix: Thrills, goose pimples and **bone-dry humour**
- Ingenious illustrations by Frédéric Bertrand

Souls in jars of pickled gherkins, a beastly bat, and a door into the next world in the living room – there's nothing in Scary Harry's cosmos that isn't there. Sonja Kaiblinger leads her readers into a wonderful crazy world full of turbulent twists and original characters – spirited dialogues, dry-as-dust humour and a dead-safe success guaranteed!

What happens in Volume 9:

Otto, Emily and Scary Harry are desperate. Several months have passed since the last adventure and Otto's parents are still stuck in Qualcatraz. But then Darko, the boss of ITS (the Institute for the Transportation of Souls) is not only mean and creepy, he also got his hand on an ancient golden scythe that makes him invincible! It seems to be hopeless.

Will Harry and his friends manage to free them?

The grande finale of the series!
