Story

On the track of cursive writing

With the help of pre-embossed lines, learning cursive writing is child's play! The indentations in the paper keep children on track from the very beginning and thus train a clean handwriting pattern at an early age. In addition, varied exercises help them memorize the letters from A to Z.

Learning to write is so easy!

- Precise pen guidance for a neat handwriting pattern
- Promotes motor skills

- With exercises and solutions

Thanks to the **pre-embossed lines** in the paper, learning to write has never been **easier**! The **ruts** guide the pen as it traces, making it easier to grasp the shapes of the **simplified original script**. **Colorful tasks** for each letter make learning more **fun** and help memorize **cursive writing**. For **children from 6 years**.
