#### The great meerkat surprise party!

In Tafiti's newest adventure, it's his little brother Tutu's birthday, but everybody seems to have forgotten all about him. Tutu doesn't realise that Tafiti, Bristles and the others are secretly planning a wonderful birthday party for him. Heartbroken, he runs off and tries to cross the river on his own. But he gets swept away by the current, and Tafiti and Bristles go paddling off as fast as they can to rescue him. And not a moment too soon! For not only is King Kofi lurking nearby; there are also hungry crocodiles lying in wait, hoping for a tasty morsel. Luckily, Tafiti and Bristles manage to rescue Tutu, and the surprise party can finally get started!
