Tafiti Conquers the Picture Book

- Tafiti for a new target audience
- The first picture book adventure featuring Tafiti and Bristles
- A lovely bedtime story for little Tafiti fans new and old

Time for beddy-byes! Tafiti and Bristles are looking forward to snuggling up in bed. But – dear oh dear! Whatever has happened to Tafiti's cuddly cushion? It was right here a moment ago! Tafiti can't possibly get to sleep without his cushion, so without further ado the two friends set off in search of it. They have plenty of adventures along the way, running into lots of nocturnal animals, a sleepwalking King Kofi and finally the suspected cushion thief.

A lovely bedtime story about Tafiti the little meerkat. Children can look for the cushion (which is hidden on every double page spread) as they listen to the story.

- Written with warmth and imagination by Julia Boehme
