## **Story**

A new lion turns up in the savannah and tries to take over King Kofi's territory. To Tafiti and his friends, of course, this is great news – they can't wait to see the back of the pesky old king! But it soon becomes clear that Shaha Kenua is much better at catching meerkats than King Kofi ever was.

So Tafiti and Red decide to help their former king. After all, he was never really all that dangerous. And so far, Grandmama's cake has always done the trick when it comes to dealing with hungry lions!

- a new adventure with Tafiti and his friends
- to read aloud or for reading beginners
- your favourite character with huge potential for even more fame!
