Juri is the only one who knows they are not just toys but living, breathing dinosaurs. The four friends have lots of exciting adventures together, and with three real-live mini dinos around, fun is never far away!

Little dinos ... big heroes

What happens in Vol. 4:

Juri lets the tiny dinos come with him to the seaside, hidden in his backpack. The dinos are overjoyed: holidays sound delicious! Imagine their disappointment when they find that there is no prehistoric greenery on the island ... Or is there?
