Story

EVIL AWAITS IN ROOM 213!

Madison can scarcely believe her good fortune! She has been invited to an exclusive little party, and her heart-throb Elijah is going to be there, too!

But the party is set to take place in Room 213 – and everyone knows that this room is deadly dangerous. Madison runs the risk and seizes the opportunity. The party is a great success, with lots of laughter, dancing, drinking and kissing. But then Madison's rival Trisha has an accident and dies. Madison wants to go find help, but inside Room 213, their mobiles aren't working, and the doors and windows can't be opened...

Then the lights go out. All the guests at the party are sitting there, in an evil-intentioned room, with no prospect of help, and without knowing if Trish's murderer will strike again.
