Story

The ballet dancer Little Star was charmed to sleep by the villain Nox. Everybody is worried. Is Lena able to rescue her out of his clutches?

Key Points:

- early novels with several chapters to be read by an adult and a first reader
- the texts work like a role-play: the children read the part of the protagonist, while the grown-ups read the rest
- the texts differ in font, layout and extent, adapted to the children's needs
- generous and colourful illustrations are immersed in the text
