Story

Monkeys on the loose!

Just before Tafiti's birthday, Grandmama's cake tin is stolen. Now she won't be able to bake her special cake, famous throughout the savannah! Tafiti can't imagine a birthday without a cake. And things go from bad to worse when Grandmama is kidnapped. Grandpapa is convinced that the naughty monkey gang is behind it. But Tafiti and Bristles soon realise that the monkeys are much nicer than they'd given them credit for – the gang even helps them to track down the true culprit and set Grandmama free.
