Story

FUN SCRATCH PUZZLE GAMES

Get your imagination working! Loads of pictures waiting to be completed. Just trace some lines on the black surface, and suddenly there's a riot of brilliant colour. That's because a bright pattern and glittering colours are lying beneath the black layer. Will it turn into a shimmering fish or a crown for a king? The young artist is one who decides!

WELCOME TO THE PONY CLUB!

All horses who are hiding beneath the black foil are just waiting to be freed. The young artists can look for a lost foal and show him the way back to his farm. They can scratch glittering awards for the proud winners of races and saddle a horse for a ride.

- Much loved Creative Scratch theme in a puzzle games book
- With "magical pages" and a wooden stylus
