Story

A weird stranger is the new guest at the hotel 'Nice Time'. He is neither big nor thin, nor tall or small, nor old or young. Who is this stranger? And what is his mission?

Together with Ms Havesuck, the CEO of the local museum, he plans a trap: The hotel and all its inhabitants shall be kept in 2011 and be exhibited in the museum. But their captivity doesn't last long and a group of the inhabitants including the piglet Ingeborg sets out to get back the key the two thieves had stolen and to stop their evil plan. They are successful, but not everybody in the hotel wants to go back to 1912.
