Story

Excitement in the Princess' Palace: preparations for a party are going on – what a teeming crowd! And where in all this chaos can the golden crown be found? If it is nowhere to be seen, just turn the page and one of the peepholes shows you the crown. A journey from the realm of the Ice Queen through the Fairy Land to the Princess' Party.

- Two popular picture book concepts in one: "Can you find it?"- scenes and peepholes combined
- On each page through one of the peepholes the golden crown can be seen
