Story

Welcome to Bumblebee Lane, the funniest hood around!

- Modern b/w-illustrations
- An affectionate, funny and exciting story
- Everyday life in the city, family & friendship

When you have six siblings, when you live in Bumblebee Street and your name is Adele Anders, life has to be wonderful!

What happens in Volume 5:

Adele is happy. Really happy. Still, she feels life would be a little more exciting with a pet. Unfortunately, mom and dad are against her greatest wish - so a pet acquisition plan is needed! Together with her siblings, Adele has heaps of ideas on how to secretly get a pet.

And suddenly the whole Anders family house is teeming with pet animal secrets: Adele runs into a cat, the twins accidentally breed guinea pigs, Oskar raises a frog, and Blümchen takes home a duckling from a trip to the lake. But all the animals eventually find a new, happy home - except for the duckling, which stays in Bumblebee Lane for a while.
