*Deep in the Twinkling Forest lives a lively, brave little glow-worm called Gloria. But Gloria is no ordinary glow-worm, she is the first female glow-worm ever to learn how to fly. Every night she flies through the Twinkling Forest with her friend Lilly Belle the dragonfly, and they have all sorts of magical adventures together.*

What happens in Vol. 4:

New neighbors are moving in and Gloria finds a good new friend in Gerda, another Glow-worm. Also a bat-family is looking for shelter in the Twinkling Forest - and Gloria is afraid of them. The bad experience with a bat before is still in her mind. But soon she learns that not all bats are bad and she makes another great friend!
