Although at first she only sees riding as a hobby, she finds herself enjoying show jumping more and more, and soon discovers that she and her stallion, Adesso, are talented showjumpers. Exciting adventures, challenging competitions and long rides along the beach await Mila and Adesso on the North Sea island of Marum.

In Vol. 5, all the other students at the Island Dreams Riding School have gone away on vacation. Mila and Charly are the only ones staying behind. But does that mean they're in for a boring holiday? Far from it – since a group of young riders has set up camp at the Icelandic horse stables. When their group leader suddenly disappears without trace, everyone sets out to look for him. During the search, Mila finds out lots

of interesting things she didn't know about her father's life. When it comes to her own life, however, Michel is starting to play a more and more important role...
