What happens in Volume 2:

Jula couldn't be more happy about her new flat/garden mate Hoot Snoot. Or maybe he has to leave? The pony only does crazy things. Fiddle-faddle all the time... Jula's world is turned upside down. Hoot Snoot even follows her into school. Oh my! He storms the teachers' loo – oops! – and breaks into the groundskeeper's room. Trouble is coming up! And Jula should quickly find a way to control her unruly pony.

Sandra Grimm

Sandra Grimm was born in 1974 in Northern Germany. Already as a child she loved to invent stories and owned a real washcloth dog that she took everywhere. Today she works at a small company where she still

invents her stories and writes about that dog and many other little animal friends.
