Story

Animal magic and the whispering of trees

One step through the stone gate and Fiona is already in the magical Anderwald forest! Powerful animals guard special treasures among the rustling leaves and whispering plants.

The Anderwald awakens

Incredible: in a misty clearing, a gate suddenly appears that only Fiona can see. Full of curiosity, she steps through it and enters the Anderwald forest - a place full of adventure! There, Fiona meets a silver wolf who introduces herself as her spirit animal and confides a great secret to the girl. But when glowing sparks suddenly appear in the pitch-black sky, Fiona discovers that the forest and all its inhabitants are in danger

...

The enchanting series opener full of emotion and magic

Fantasy adventure meets everyday school life, told in a **light-hearted** and **exciting** way by *Julie Leuze*.

This series opener for **ages 8 and up** combines the great world of **emotions** with the **wondrous magic** of the forest. **Strong, spirit-animals** reflect a wide variety of personalities, giving the story great **potential for identification** for young readers. *Stefanie Kläßen's* detailed illustrations with green spot colour bring the *Anderwald* to life. For fans of *A Girl Named Willow* and *Spirit Animals*.
