Let your creativity run wild and scratch castles, stardust and flower crowns for the unicorns. Can you help them escape the evil sorcerer?

Welcome to a magical world! Trace a couple of lines, and magical images start to appear on the black surfaces. That's because there are brightly coloured patterns and glittery colours hiding beneath the black layer. Children can scratch away to their heart's content, revealing fairies, castles and glittering starry skies, and giving free rein to their imagination and creativity.
