Gloria Firefly is back! In this second read-aloud book, ten new adventures await the helpful little firefly. What Gloria longs for most in the world is to see the sea, but she knows she will have to practise very hard if she is ever to make the journey. At last, Gloria's hard work pays off, and she sets out on an eventful trip to the seaside with her best friend Lilly Belle and her grandpa Guido. Gloria eventually discovers that the sea is very beautiful – but that her home in the Twinkling Forest is the most beautiful place of all!
