Because there are neither Schlotzolade nor Krossangs in hell, Cornibus takes one hearty bite into the book he found under Luce's bed. But this does not agree with him at all. Because the book is the diary of Lucifer senior, the chief of hell himself. Cornibus develops a hiccup that makes Hell shake. Of course, every inhabitant of Hell has a very special tip on how Cornibus can get rid of the hiccups: Scare him, drink vinegar, hold your breath ... Will anything help?
