Story

A new case for the Hayloft Gang!

- Modern, affectionate Farmyard adventures
- Innovative, funny proportion and combination of text/ illustration
- Clever mix: Trending topics nature and farmyard in combination with animals and detectives

A placid farmyard? Not at all! Wool Sheep and the smart chicken Wild Child founded a detective agency. Because there must be some mud between cabbages, cauliflowers and carrots... What a higgledy-piggledy!

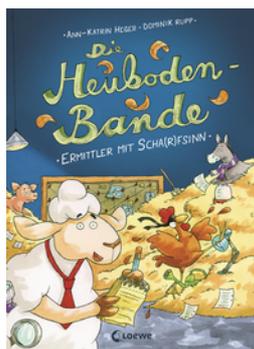

What happens in Vol. 2:

The Hayloft Gang is puzzled: Buzz, one of the strong muscly cats asks for their help. His son Carlo has disappeared without a trace. Without a trace? Woolly, Whizzy Lizzy, and not to forget Mr. Smith can't believe that. After all, the detection dog is a fantastic snoop, and Woolly's got everything in his fleece that's needed for a proper detective!
