Romance runs riot with Louise ... and a magic toilet seat! Fresh, feisty... Louise!

When her friends are in trouble, Sonja Kaiblinger's heroine Louise gives no quarter! With wit and imagination she battles her way through school life, proving that the girls restroom is anything but restful!

Vol. 3 is about everybody falling in love on a magic pink toilet seat.

Everything at Louise's school is going swimmingly. The boys' toilets are up and running at last, and the summer holidays are just around the corner. But there's something funny going on: all of Louise's friends suddenly have hordes of admirers, and keep finding love letters in their lockers. The source of all this romantic turmoil seems to be a magic toilet seat. Whenever a boy sits on it, he falls in love with the next girl he sets eyes on! It ought to be an easy task to bring the right couples together – but as it turns out, nothing could be more difficult...
