Story

Triumph of the team spirit!

No pitch – no football? Tom, Nick and Tarek, Latte, Anthony and Fischkopp don't let it get them down and secretly make their own football pitch on the open ground behind the old sawmill. But their arch enemy Sebastian challenges them to play against the professionals of the sport school! Tom and his friends have scarcely a week to build up and train a team. They've put so much into it, they've just got to win!

THILO

THILO spent the first 20 years of his life in the children's corner of his parents' bookshop. He then travelled in Africa, Asia and Central America before successfully touring with friends as a cabaret trio. Today THILO lives in Mainz with his family and writes stories and scripts for TV programmes.
