Story

It was supposed to be an idyllic and cool mountain walk in a dream landscape – but Ben and his friends' outing soon turns into a horror story. A dense mist rises up from nowhere and forces them to seek shelter in a small and remote mountain village. To start with, Ben is delighted to be there; he has fallen head over heels in love with Andrea, who lives in the village. With every hour that passes, though, the teenagers become increasingly perturbed – ghastly shapes are forming in the mist and gathering around the village, and even the inhabitants don't seem quite normal any more... Have they stumbled into a trap set by dark powers?
