## **Story**

Get your imagination working! Loads of pictures waiting to be completed. Just trace some lines on the black surface, and suddenly there's a riot of brilliant colour. That's because a bright pattern and glittering colours are lying beneath the black layer. Will it turn into a shimmering fish or a crown for a king? The young artist is one who decides!

## **NOW WITH PRINCESSES**

This scratch book is perfect for creative little princesses who dream of riding in carriages and designing their own beautiful ball growns.
