Story

A new exciting Minecraft adventure!

Loewe Wow meets the Minecraft trend: the perfect mix for all fans of the computer game and readers of adventure stories! With illustrations in the familiar block look, boys and girls aged 8 and up will find many elements and characters from their favorite game in the book and can also dive into an independent, exciting story.

What happens in Volume 3:

Nano and Maffi are on vacation in an idyllic village by the sea, where they meet siblings Lini and Honk. Soon Lini and Nano get into a fight: Both are convinced that they are much stronger, smarter and braver than the other! That's why they go to the nearby jungle, together with Maffi and Honk, to look for a secret, dangerous temple to prove their courage. But then the four get lost and suddenly night time falls ...

- Volume 3 of the witty adventure series - to be continued
- Bestselling author Karl Olsberg, who successfully self-published the Minecraft series *The Villagers* (#2 in Amazon ranking)
- Innovative 90:10 text-picture ratio
- Illustrated in b/w with an eye-catching spot color, in the familiar block look

- Exciting stories, independent from the Minecraft game: not just for fans!

Karl Olsberg

Karl Olsberg completed his doctorate on artificial intelligence, was a management consultant, manager at a TV station and founded several start-ups. His first novel "Das System" was published in 2007 and immediately made it onto the Spiegel bestseller list. Since then, he has not only successfully written novels for adults, but also for young people and children. The thriller "Boy in a White Room" was nominated for the German Youth Literature Prize 2018. His Minecraft novels, which he initially self-published, reached number 2 on the Amazon bestseller list. In addition, his start-up "Papego", which develops the app of the same name for mobile reading of printed books, was honoured as "Content Start-up of the Year 2016" at the Frankfurt Book Fair. The author lives with his family in Hamburg.
