Story

Jesper is angry: his father has offered him a necklace that is SO obviously made from dolphin's teeth – but no one seems to see it. When Jesper and Tina show Professor Zweistein the necklace, off they go to a new journey, this time under the sea. And in their submarine steam engine, they meet Orcas, and dolphins, and many other animals...

Sandra Grimm

Sandra Grimm was born in 1974 in Northern Germany. Already as a child she loved to invent stories and owned a real washcloth dog that she took everywhere. Today she works at a small company where she still invents her stories and writes about that dog and many other little animal friends.
