Story

Another great and final adventure for Jesper and Tina with the Magic Steam Engine! Both children are very excited when the Steam Engine travels with them to a pony farm – they have always wanted to know everything about horses and ponies. Now they get all the information first hand – visiting the little foals, the barns and stables.

Sandra Grimm

Sandra Grimm was born in 1974 in Northern Germany. Already as a child she loved to invent stories and owned a real washcloth dog that she took everywhere. Today she works at a small company where she still invents her stories and writes about that dog and many other little animal friends.
