Story

Two Heros with Fire in their Bums!

Take twenty-two-point-four steps forwards, five big hops and seven steps backwards from the end of the world, close one eye, spin around in a circle, and hey presto! You've arrived in the valley of the Vulkanos!

In the fifth Vulkano-Adventure Flambia's mother Magmalia sews a fireproof cover for her volcano to make it look more presentable. But the cover blows away, taking Flambia, Krato and Smok with it! They drift across the sky, eventually coming to an island so bizarre that they can scarcely believe their eyes. The island is home to the schneggles – creatures who neither burp nor fart. It's a good thing the Vulkanos happen to have brought along the fart-inducing fuel the schneggles so desperately need...
